Performance Data

The returns or performance information shown assume that all income/realized net gains are retained by the segregated fund in the periods shown and are reflected in higher unit values of the segregated fund. The return or performance information do not take into account sales, redemption, distribution or other optional charges or income taxes payable that would have reduced returns or performance. How the segregated fund has performed in the past does not necessarily indicate how it will perform in the future.

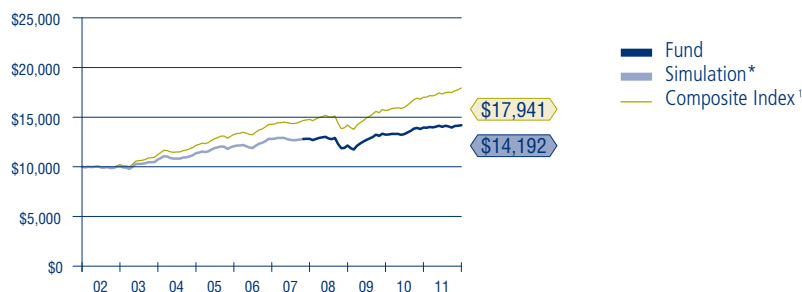

Year By Year Returns

This chart shows the annual performance for each calendar year for the fund starting at its inception date and the annual performance that would have resulted if the fund had existed before that date and the assets held at its inception date had been held throughout the earlier period shown.

Past Performance

This graph shows you how a \$10,000 investment in the fund would have changed in value compared with the reference index using the year by year returns shown above.

Annual Compound Returns
