## Risk level

## Commentary

The Fund aims to generate superior long-term growth while minimizing risk through diversity in its investments and the integration of several portfolio managers. The Fund is invested in one bond fund, four Canadian equity funds and three foreign equity funds. However, its neutral positioning is as follows: 20% in fixed-incomes securities, 50% in Canadian equities and 30% in foreign equities. This allocation varies according to the senior manager's forecasts.
